Extended brand control in department stores

Digital strategy progresses with improvements to hugoboss.com

## Region Europe an area of strength

- Broad based sales increases across the region in the first half year
- Further improvement of own retail execution major growth driver
- Focus on lifting brand presence in multi-brand environments

## Performance in the Americas improves after headwinds at the beginning of the year

- HUGO BOSS returns to growth in the second quarter
- Group maintains strict pricing discipline in a still promotional market environment
- Upgrade of shop-in-shop portfolio at Saks ongoing

## Asia remains Group's largest regional opportunity despite ongoing challenges in China

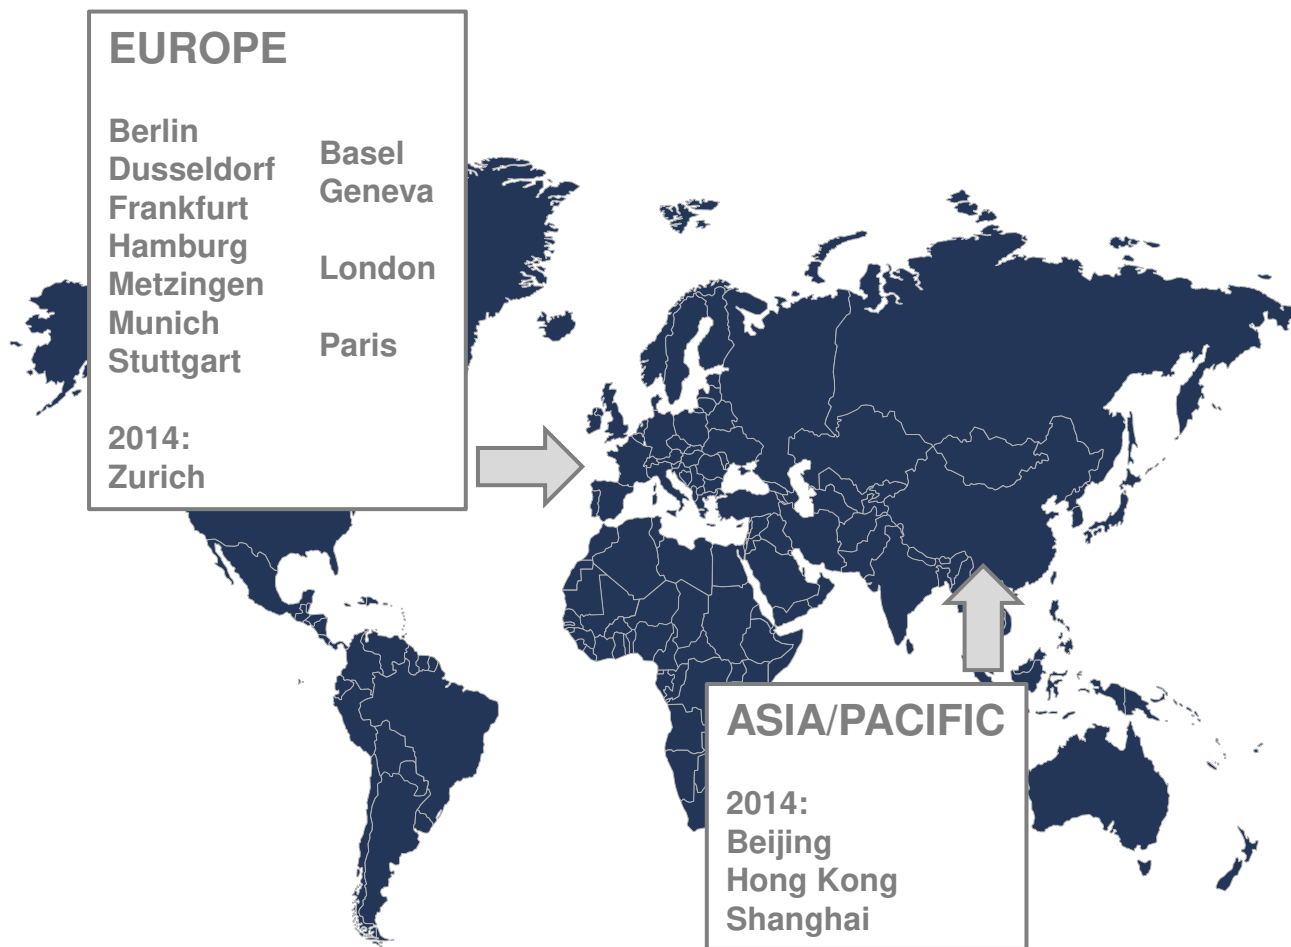

- Important investments in retail presence and brand perception
- Franchise legacy thoroughly addressed
- Suiting competence a key competitive differentiator

## Art of Tailoring exhibition strengthens brand perception in menswear clothing in Asia

## Made to Measure rollout emphasizes high-end tailoring competence

## Significant upgrade of retail store universe in China

## HUGO BOSS acquires full control of its store network in China and Macau

- Remaining 40% stake in joint venture with former franchise partner Rainbow Group taken over effective June 30
- Grown retail sophistication and strong operational platform key enabler
- Consolidation of distribution activities to drive quality of brand presentation and sales productivity

**BOSS Store**  
Nanjing Deiji (former JV Store)

## New flat-packed goods distribution center in Germany fully operational
